## Club business:

- Make plans for Tuesdays and Wednesdays
- our Facebook group has been removed, replaced by the club's Facebook page which should make it easier for people to see what the club is doing when they check Facebook.
- Rob and Mary would be interested in taking an Advanced class again...encourage them to come to weekly workshops since we may not offer an A class this fall
- Typical Tuesday evenings would start at 7:00. first hour workshop switching between A2 and Plus, where A2 could be even months Plus odd months
- Wednesdays first half alternate between plus and A2 dancing. Class would be between 8:00-9:30. Star tip in center and at the end to give Rich a break. 7:00 to 8:00 full dancing with review in kitchen if enough students, interest and reviewer.
- First Wednesday of every month, the club will offer an introduction to Square dancing, starting September 7<sup>th</sup>. Intro will begin at 8:00 (publish 7:45 start 8:00) if newcomers show up, if not just keep regular schedule
- How do we advertise classes?
  - Business cards
  - Half sheet handouts
  - Look for local papers to advertise in....
  - If we set up an online meet-up, it is important to have members respond so it looks like a lot of people are going
- Ed wants to discuss club fees. Right now students have paid \$150 for dancing thru June. Re-treads \$75 +\$40 membership. On Tuesdays there are no angels... everyone pays \$8. On Wednesday angels pay \$5. Do we want to keep this? How do we structure fee schedule if club goes to GDP program? BoD will discuss in greater detail at next meeting.
